To

Minister for Education,
Govt of Mysore, Bangalore

Dear Sir,

I have to bring to your kind notice that, as you may be already aware of, the Mysore Improvement Trust Board from its commencement had at least a Muslim Trustee on the Board, but for the last 3 years there is no Muslim Representative on the Board

There are some members of minority communities representing, and it is really surprising that though the City of Mysore has nearly 35000 Muslim population, there is no one to repsent the community in that Board as there are so many questions relating to Muslims coming up and it is observed that so far there has been no justice by the board and several problems relating to extensions and model houses poor house schemes are tackled by the Board ignoring the Muslim Community totally

You know pretty well that 2 members on the Board are from Municipality and they elect all the Congress Party snatch the membership and they never give chance to Muslims, besides Health Officer Vice-President & President of the Municipality himself is the Chairman of the Trust Board, thereby making 3 municipal members on the Board altogether

Government while nominating have forgotten the Muslims entirely It is a point for argument as to where was the necessity to nominate Mr F C Devaraja Urs, as he himself a Hindu, besides being a Municipal Councillor

Therefore I am to approach you in the interest of the Muslim Community to please consider this aspect of the case and kindly do your best to nominate one of the Muslims on the Board of Trust

I trust that you will view the question with a broader view and do justice in the matter

Thanking you

Yours sincerely,
Mohamed Salt
